NEWSLETTERS INDEX

Issues 1 (Dec. 2004) to 77 (Spring 2025)

Kindly prepared by Billy Clelland
of Crafers, South Australia
autumn 2025

Items in this index are identified by: MAIN ENTRY; SUBENTRY; YEAR;
NEWSLETTER NUMBER and PAGE

MAIN ENTRY is usually a Surname, Association or Activity, with titles such as 'Golf Club' or 'Silver Band'. (A lady's maiden surname, when known, is shown in brackets.)

'COALBURN' is rarely used as a main entry. If a main entry says, for example 'Church', it's safe to assume that this is about Coalburn Church

SUBENTRY is the next level of detail.

Note that items from the Coalburn Chronicles are indicated here e.g. CC56 means that the entry originates in Chronicle Part 56

YEAR when the event / information described took place. If preceded by 'c.' (= 'circa' = 'about'), the year is approximate. Preceded by '<' means before this time and '>' means after this time. Day and month are also indicated, when known.

NEWSLETTER provides the Issue Number and the Page where the topic begins.

Entries printed in *Italics* refer to *PHOTOGRAPHS* or *ILLUSTRATIONS*
